

Maintenance Notification for All Servers

We will be doing maintenance on all servers starting at 11:00pm CST on Friday, March 19, 2010. When the maintenance is completed on one server, it will be restarted. The downtime is expected to be less than one minute as the system gets back up and running.

If you have any questions on this maintenance notification for all servers, please feel free to contact us at support@onyourmark.com or at 262-820-8201.
