

# Monthly SEO Maintenance

## Looking for an affordable SEO Partner?

OnYourMark offers customized monthly SEO maintenance as part of your overall marketing plan for your website.

Your customized monthly SEO maintenance package will be tailored to meet the needs of your specific website and SEO requirements. Our overall monthly SEO maintenance plans include any or all of the following:

- Website review to see what you are doing right and what can be improved
- Keyword research to fit your products and services
- Search Engine position checks for your major keywords
- Meta tags optimized
- Content keyword reviews, including duplicate content issues
- Internal link building
- Communications
- A more productive website

Our search engine specialists keep up to date with the ever changing requirements of internet marketing and search engines. To find out what we recommend for your website and a customized SEO maintenance package plan, [fill out our contact form now](#).

Working together to build an effective web presence.
