

We encourage all Wisconsin Entrepreneurs to attend Wisconsin Business Owners!

I've had the pleasure of hosting this group for ten years, and it is fantastic. The Members are professionals who are personable. The networking is great. The Organizers are amazing. The food is phenomenal. (I go for the food and everything else is a bonus!) Finally, the speakers are worth the trip all by themselves!

We have a special morning session tomorrow:

WisOwners Special Morning Session: Legal Risk Management for Small Businesses

Completing our Double-Header, a very interesting Lunch & Learn:

We have added eight great new Organizers!
