### Overview

The self-updateable scrolling marquee can be used to alert visitors of new information on your web-site. You may also use the marquee to convey news, events and more!

### Accessing Marquee Admin

Your marquee admin is located at: \_\_\_\_\_

You will be prompted for a user name and password to access your marquee.

Your user name is: \_\_\_\_\_ Your password is: \_\_\_\_\_

### Using the Marquee Admin

Enter text for your marquee in the "Marquee Text" box. You may separate sentences with periods like this:

Welcome to our site..... See us at the trade show December 12-14..... Thank you for visiting!

Be careful not to use hard returns (hitting the "enter" key) between sentences. Let the text wrap in the box. Although the text wraps in the "Marquee Text" box, it will appear as one continuous line of text on your site.

DO NOT USE HARD RETURNS OR MARQUEE WILL NOT WORK!!!

Marquee Text:  
SEE US AT THE NEW ENGLAND TRUCK EXPO SEPT 13 & 14 BOOTH 101.....

**Enter text here. Do not use hard returns!**

**Set scroll speed** Scroll Speed: Medium   
**Select if marquee should appear on site** Is Marquee Active:  yes  no

You have several options for the speed your marquee will scroll at: Slowest, Slow, Medium, Fast and Fastest. Select the speed from the "Scroll Speed" drop-down menu.

You may select whether the marquee appears on your site by clicking "yes" or "no" in the "Is Marquee Active" field. Choosing "yes" will keep the marquee active, choosing "no" will remove the marquee. You may add and remove the marquee at any time.
