Overview

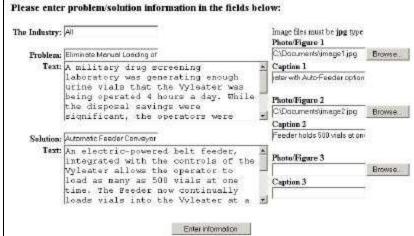

Self-updateable specials pages allow you to add text and images to your website. Post new products, articles, technical support information and more!

Accessing Specials Admin

7 to coconing opeoidio 7 turiiii	
Your specials page admin is located	d at:
You will be prompted for a user name	ne an password to access your specials page admin.
Your user name is:	Your password is:

Posting a Special

To enter a new special, fill in the fields as shown:

In this example, the fields that will be shown on the public specials page are "The Industry", "Problem" and "Solution". When a visitor clicks on the special, the full posting will be opened including the descriptive text and images.

To upload an image, click the <u>Browse</u> button to the right of the image fields. Browse your hard drive to locate the images you wish to upload. Click open, and the path to this image will be inserted into the "Photo" field. Enter a caption for the image to be displayed. All images must

be in ".jpg" format!

If a field is left blank, it will not appear on the public posting of the special. It is not necessary to upload images

When all information has been entered, click the <u>Enter information</u> button at the bottom of the screen. Your text and images will be uploaded. Please be patient, as uploading images may take several minutes.

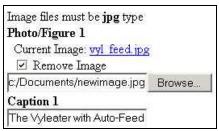

Modifying or Deleting a Special

The Industry	Problem	Delete
All	Eliminate Manual Loading of vials	Delete
Diagnostic Laboratories	Reduce disposal cost related to ThinPrep© disposal	Delete

All specials currently posted on your website will be listed in the table at the top of the specials page admin.

To delete a special, click Delete next to the special's title.

To modify a special, click the highlighted text under the "Problem" column. The special will open in the admin view, allowing you change any text or images that you wish.

To change an image, check the "Remove Image" box under the image that you would like to change. Browse your hard drive to locate the new image that you would like to upload. Change the caption of the image, if applicable. When you click Enter information at the bottom of the screen, the old image will automatically be deleted and replaced with the new image.

Viewing the Public Specials Page

Your public specials page is located at:

This is the page on your website where the specials you have posted are displayed to the public.

Visitors to the page will be able to see a list of the specials that you have posted. Clicking the highlighted links will open the full specials article.

The full article will display the text you have entered for the special, along with any images that you have uploaded.

Questions?
